

JVK Pacific Ltd
Environment Policy

It is the policy of JVK Pacific Ltd to limit its environmental impact by actively following these principles:

- Use of recycled paper products
- Separate bins for paper, plastic, tins.
- Recycling of printer toners
- Extensive computer use to avoid paper waste
- Use of Cartons with a high percentage of recycled fibre.
- Cartons in good condition are used as much as possible
- Personnel have orders for minimum waste of packing materials
- We ensure our vehicles are regularly maintained to give optimum fuel economy
- We plan our daily schedule to reduce the distance of vehicles in the road
- We use steel storage containers that ensure high standard of safety and many years of living.
